

he held until being offered a position as Dean and Professor of Law at the University of Wyoming College of Law in 1987. In 1990, Morgan returned to Arizona State University as a Dean and Professor of Law and remained there until taking up the audacious task of founding the Boyd School of Law at the University of Las Vegas in 1997. The Boyd School of Law has produced over 800 graduates who have gone on to effect change in the communities in which they work as public servants, community leaders, legislators, and advocates.

Madam Speaker, I am very proud to recognize Dean Richard Morgan. His contributions to the legal profession and his leadership at the Boyd School of Law are commendable. I thank him for his service to the University of Las Vegas community and with him the best in his future endeavors.

HONORING WILLIE "BILL"  
IVERSON GOLDEN

**HON. JACK KINGSTON**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 10, 2007*

Mr. KINGSTON. Madam Speaker, I rise today to commend and recognize Bill Golden, an outstanding Georgian who has dedicated his life to the betterment of society through his involvement in higher education and public service. Bill has been a friend and ally in working towards a brighter future for my constituents and the people of Georgia.

For the past sixteen years, Bill has served as the Director of Governmental Relations for the University of Georgia in Statesboro, Georgia. During most of this time, he also served as Georgia Southern University's Foundation President as well as the Director of Development. During his tenure there, Bill helped obtain over both public and private funding for many initiatives and spearheaded a government relations program between the university and Georgia's congressional delegation.

Before coming to Georgia Southern University, Bill worked at the University of Georgia's Cooperative Extension Service, providing administrative support for the development and implementation of a statewide program in international trade and development and provided leadership for all counties in Georgia. He also served as an Assistant County Agent for Twiggs County, Georgia and worked to improve the county's 4-H and youth program. In addition, Bill aided in the development of the consulting firm Economark, Inc. which was developed to provide technical assistance in the area of economic and community development.

Bill's extensive leadership ability has also translated into his community involvement. For instance, he has served as the Director for Bulloch County Chamber of Commerce, President of the Alumni Society for Middle Georgia College, and chair of the 13-State Advisory Committee for the Southern Rural Development Center. He has also served as President and Board Member of the Certified Public Managers Association, a member of the Board of Directors of Georgia Industrial Developers Association, and the Vice President, representing the first congressional district, Board of Managers for The University of Georgia Alumni Society.

In light of Bill's outstanding record of commitment to others and dedication to excellence, it is with great pleasure that I rise in his honor. As Bill enters retirement I wish him continued happiness and success.

CONGRATULATING CAROLYN  
CRAPO

**HON. THOMAS G. TANCREDO**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 10, 2007*

Mr. TANCREDO. Madam Speaker, dedicated and passionate teachers are vital to the education and development of our future generations. Today, I am honored to recognize Ms. Carolyn Crapo, a high school physics teacher, in Aurora, Colorado. Ms. Crapo is a recipient of the 2007 Amgen Award for Science Teaching Excellence for her exceptional efforts and commitment to provide her students with an outstanding science curriculum.

Ms. Crapo seeks to inspire her students to explore the world around them by providing hands-on. Through her efforts and example, Ms. Crapo has helped foster a love of science and provided a better learning environment for her students.

The Award for Science Teaching Excellence is given by Amgen, an internationally known biotechnology company with branches in Colorado. The Amgen Award for Science Teaching Excellence is given to teachers in public and private schools whose dedication to imparting a love of learning and interest in science to the future generations. The recipients are selected by an independent panel that judges the applicants on effectiveness and creativity of teaching methods and how they plan to use the grant money to further science education in their schools.

IN HONOR OF WALTER PARKER

**HON. JACK KINGSTON**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 10, 2007*

Mr. KINGSTON. Madam Speaker, I rise today to commend and recognize Walter Parker an outstanding Georgian and statesman. Walter has long been recognized by the citizens of Tybee Island and Chatham County for the vital role that he has played in community leadership and his deep personal commitment to the welfare of the residents of Tybee Island.

This outstanding public servant loyally served as Mayor of Tybee Island for 16 years and contributed enormously to the beautification and preservation of the island and to the refurbishment of the island's endangered beaches. As demonstration of his commitment to Tybee Island, Walter Parker was actively involved in many beach revitalization programs affecting the area and he also appointed the first Tybee Beautification Commission. Walter served as a leading advocate for state-wide support for the rebuilding of the Tybee Island Pier and Pavilion and initiated a massive cleanup and repair project dedicated to Tybee's municipal buildings. His tireless efforts

resulted in a new spirit of community in preparation for Tybee's 1987 Centennial.

Walter's commitment to the residents of Tybee Island is further demonstrated by his service on and involvement with many local, state, and national associations, boards and committees affecting the development of the city, including the Savannah Area Chamber of Commerce and Governor's Comprehensive Plan for Georgia's Coasts.

As Mayor of Tybee Island he demanded excellence in public service from the city's vital service agencies. Walter's hard work and visionary spirit provided a framework upon which future generations could build and helped to preserve a strategic area of the State of Georgia for all to enjoy.

It has been my pleasure working with Walter for many years for the betterment of our common constituency and for all those who know and love Tybee. Throughout our friendship, Walter has proven to be an efficient, effective, unselfish, and dedicated public servant to his community and the citizens of this state. I extend to him my most sincere best wishes for continued success and happiness.

PERSONAL EXPLANATION

**HON. MADELEINE Z. BORDALLO**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 10, 2007*

Ms. BORDALLO. Madam Speaker, I was absent from the chamber during the morning of Friday, April 20, 2007. Had I been present for the seven rollcall votes taken on amendments to H.R. 1257, the Shareholder Vote on Executive Compensation Act, I would have voted "nay" on each one. This includes a "nay" vote on rollcalls numbered 236, 237, 238, 239, 240, 241, and 242.

HONORING MOTHER'S DAY AND  
SUPPORTING THE BREAST CAN-  
CER AND ENVIRONMENTAL RE-  
SEARCH ACT OF 2007

**HON. JAMES P. MORAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 10, 2007*

Mr. MORAN of Virginia. Madam Speaker, I rise today to honor my mother and all the women in my life. On behalf of these women, I demand answers to the question of what causes breast cancer. This disease has impacted virtually every American's life. More than three million women are currently living with breast cancer, and each year tens of thousands of women die from this disease.

A woman in the United States has a 1 in 7 chance of developing invasive breast cancer during her lifetime—this risk was 1 in 11 in 1975. Breast cancer remains the second leading cause of cancer death among women. While important advances have been made, we still do not know what causes this disease, or how to prevent it.

Scientific evidence about whether the environment plays a role in the development of breast cancer is scarce. There is a clear need for research on the potential relationship between environmental factors and breast cancer, and federal commitment is critical to the
